

Meet Michael Strong...

GHBA welcomes Michael Strong, CGR, spokesperson for NHRS07

Michael Strong – custom home builder, remodeler, national speaker and radio personality – brings his vast industry experience and contagious enthusiasm to the 15th Annual New Home & Remodeling Show!

Along with Bob Birner, CGR, Michael co-hosts the popular [Remodeling Pro Radio Show](#) every Sunday morning on TalkRadio 950AM KPRC. Listen to win free tickets to NHRS07!

About Michael

Michael Strong is one of the most respected leaders in the housing industry and a dynamic advocate of professional home building and residential remodeling. He is vice president of Brothers Strong, Inc., a nationally recognized residential remodeling firm, and GreenHaus Builders, which specializes in the construction of healthier, high-performance green homes.

A former president of the GHBA Remodelers™ council and the GHBA board of directors, Michael is a national speaker and instructor who travels the country conducting builder and remodeler education classes through the National Association of Home Builders' University of Housing. He has earned designations for Certified Graduate Remodeler (CGR), Certified Aging-In-Place Specialist (CAPS) and Graduate Master Builder (GMB), and was the first recipient of NAHB's National Certified Graduate Remodeler of the Year award. He has an MBA from the Monterey Institute of International Studies in Monterey, CA; an MA from Southwest Texas State University; and a BA from the University of Texas in Austin.

Along with his passion for promoting the housing industry, Michael is an avid outdoorsman who has traveled to the far corners of the world in pursuit of new life experiences - and ancient mountains to climb!

GHBA is proud to welcome Michael as the official spokesperson for the New Home & Remodeling Show. Contact him at Michael@BrothersStrong.com.

Visit both companies at NHRS07, booths 328 and 330!

GHBA members since 1995, Brothers Strong, Inc., is a multiple recipient of local and state association awards, including *Houston Remodeler of the Year* and *Texas Remodeler of the Year*. *Cahners Publications* listed the company among, "One of the 101 Best Companies to Work For in the Residential Construction Industry" in 2002 and 2003, and in 2005 the Cy-Fair Chamber of Commerce named Brothers Strong, "Small Business of the Year."

GreenHaus Builders is currently building one of only a hundred [LEED](#) pilot homes in the United States. A natural extension of their award-winning history as Houston's premier remodeling company, Brothers Strong founded GreenHaus Builders in response to consumer demand for healthier, lower maintenance options for their home.

Need some direction on building green? You can take pride in knowing that your home has a positive impact on the environment, from energy and water efficiency, to reduced construction and waste and the use of renewable materials. Click [here](#) to learn more about GHBA's Green Building Initiative™.
